

**Figure 1**

Figure 1 consists of two panels, A and B, showing bar charts of the number of publications per year from 1980 to 2006.

**Panel A:** Publications by country. The y-axis ranges from 0 to 100. The x-axis shows years from 1980 to 2006. The bars represent the number of publications for each year, with a significant increase starting around 1990, peaking around 2000 at approximately 95 publications, and then declining.

**Panel B:** Publications by research area. The y-axis ranges from 0 to 100. The x-axis shows years from 1980 to 2006. The bars represent the number of publications for each year, with a significant increase starting around 1990, peaking around 2000 at approximately 95 publications, and then declining.
